

## Using web tools to develop learning inside and outside the classroom

Freitag, 8. März 2019, 13:30 bis 17:00 Uhr, Zürich

<b>Seminarleitung</b>	<b>John Potts</b> Teacher trainer
<b>Inhalt</b>	In this practical workshop, we'll look at a range of web tools that you can use to develop your students' learning. Some are free, and some are pay-for (but good value and not expensive!). The tools include English Vocabulary Profile, Quizlet, and more. Please bring your own laptop or tablet so that you can try out some of the tools during the day. Note that mobile phones are not suitable for most of these tools.
<b>Kurssprache</b>	Englisch
<b>Zielpublikum</b>	English teachers working with adult learners. It's a similar course like in 2018, but only half a day.
<b>Kursziele</b>	- to introduce teachers to a range of free and pay-for web tools - to have some hands-on practice in using these tools
<b>Methoden</b>	- presentation and workshop formats - bring our own devices so that you can also access the tools online during the day
